3.2 IF THE LOCAL AUTHORITY MAKES ARRANGEMENTS

If the school can't make suitable arrangements, Oxfordshire County Council will become responsible for arranging suitable education for these children. This will be in consultation with Oxfordshire County Council.

In cases where the local authority makes arrangements, the school will:

- Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the student.
- Share information with the local authority and relevant health services as required.
- Help make sure that the provision offered to the student is as effective as possible and that the child can be reintegrated back into school successfully.
- When reintegration is anticipated, work with the local authority to:
 - Plan for consistent provision during and after the period of education outside the school, allowing the student to access the same curriculum and materials that they would have used in school as far as possible.
 - Enable the student to stay in touch with school life (e.g. through newsletters, emails, invitations to school events or internet links to lessons from their school).
 - Create individually tailored reintegration plans for each child returning to school.
 - Consider whether any reasonable adjustments need to be made.

4. MONITORING ARRANGEMENTS

This policy will be reviewed annually by the School Leader for Inclusion (secondary). At every review, it will be approved by the Trust Board.
